BRIGADE
ETERNIA
YELAHANKA MAIN ROAD

THE LURE OF NORTH BENGALURU

North Bengaluru has emerged as one of the most sought-after residential destinations and for good reason. With seamless access to the Kempegowda International Airport and major highways, North Bengaluru ensures convenient travel within and beyond the city. The region boasts a rapidly developing social and civic infrastructure, including top-tier educational institutions, world-class hospitals, and bustling commercial hubs. Proximity to key IT parks and tech corridors makes North Bengaluru a prime choice for working professionals. Unlike other parts of the city, North Bengaluru offers expansive green spaces and a less congested, pollution-free atmosphere, perfect for families and nature lovers.

A PLACE TO MARVEL AT LIFE

Whether you're looking for a place to relax, stay active, or build memories with loved ones, Brigade Eternia has it all. Immerse in the experience and the lifestyle you've always dreamt of against a backdrop of nature and recreation. From the moment you step in, you'll feel a sense of calm as you pass through the entry portal, leading you to a 100+ year-old Peepal tree. This magnificent tree stands as a silent storyteller, witnessing generations and symbolizing the beauty of time. The podium-level seating provides cozy nooks for relaxation, social interaction and quiet moments. With minimal land alteration, keeping the site's natural topography and with the planting of 100+ native trees, Brigade Eternia is designed to enrich the landscape.

GROWING UP GAMIFIED

Brigade Eternia is a land where kids grow up surrounded by exciting adventures and learning. The fun begins at the toddler zone, in a safe and engaging space that helps little ones develop confidence, balance and motor skills.

A tot lot play area for children encourages imagination, social interaction and movement in a space that is welcoming and inclusive. For growing kids, there is a dedicated zone that fosters mind-body coordination, cognitive thinking, balance and movement.

A DYNAMIC LIFE FOR TEENS

"Not all those who wander are lost." This holds especially true during the tender, yet tumultuous years of adolescence. Brigade Eternia is a dynamic and ever-evolving landscape, where every step leads to new discoveries. Everywhere you look, magic and mystery are etched.

A multipurpose court and cricket practice pitch serve as a space for casual games and friendly matches. For sports enthusiasts, whether it's a quick game of pickleball, skating or basketball, there's an active life to be discovered.

A LIFE OF SELF DISCOVERY BEGINS

For today's youth, exploration is about challenging boundaries and discovering who they truly are. Every adventure becomes a chapter in their journey of growth and freedom. With skating rinks, an outdoor gymnasium, a dedicated fitness area for bodyweight and strength training, Brigade Eternia offers the perfect haven for self-expression, fitness and social experiences.

AN IDYLLIC SECOND CHILDHOOD

Brigade Eternia is more than just a place to live—it's a vision for the future of community living, where creativity and innovation come together to create a truly enriching experience. Seniors can enjoy meditation spaces, movement areas and structured walkways designed to enhance stability, mobility and strength.

MULTIPLE DOMAINS. SINGLE-MINDED COMMITMENT.

Brigade Group is one of India's leading property developers with nearly four decades of expertise in building positive experiences for all stakeholders. Instituted in 1986, the company has developed many landmark buildings and transformed the skyline of cities across South India, namely - Bengaluru, Mysuru, Mangaluru, Chikmagalur, Hyderabad, Chennai, Kochi, and GIFT City, Gandhinagar with developments across the Residential, Commercial, Retail, Hospitality and Education sectors. Since its inception, Brigade has completed 280+ buildings amounting to over 90 million Sq.ft. (8.3 million sq.mt.) of developed space across a diverse real estate portfolio.

Brigade assures best-in-class design and top-of-the-line facilities that exude elegance and sophistication. The residential developments include villas, villaments, penthouses, premium residences, luxury apartments, value homes, urban studios, independent living for seniors and mixed-use lifestyle enclaves, plotted developments and townships. Over the years, the projects have been one-of-a-kind in the sector, for example, Brigade developed Brigade Gateway, Bengaluru's first lifestyle enclave and Brigade Exotica, one of the tallest residential buildings in Bengaluru.

Brigade is among the few developers that also enjoys a reputation for developing Grade A Commercial properties. The license owners of the World Trade Center across South India, the Group's commercial spaces have top international clients operating out of them. Brigade also entered the co-working space with 'BuzzWorks' in 2019. The commercial segment has seen consistent growth over the last few years with over 5 million sq.ft. of office spaces under development.

Brigade's first venture into large format retail was the iconic, world-class Orion Mall at Brigade Gateway, subsequently expanding with Orion Avenue and Orion Uptown. Brigade's Hospitality offerings include star hotels, recreational clubs, convention centres and The Baking Company, a unique patisserie.

Brigade is the founder of The Indian Music Experience (IME) - a monumental and philanthropic initiative that is India's only hi-tech interactive music museum. It was conceived to give back to society and sensitise the present generation to the rich culture of Indian music. The Group contributes in numerous ways towards community development, health, education, and the environment. Through the Brigade Foundation, the brand has successfully opened three schools in its name, offering holistic education; has conducted large-scale tree plantation drives; spruced up parts of the city; revived public recreational spots like lakes and parks, to name a few.

Brigade Real Estate Accelerator Program (REAP), Asia's first startup accelerator program, is a prelude to the changing trends in the real estate industry, which is standing on the cusp of disruption. REAP brings along innovators and inventors to use technology as a catalyst for creating sustainable and scalable businesses in the real estate industry.

'Great Place to Work Institute' has rated the Brigade Group as one of India's best companies to work for in the real estate industry. This responsible attitude and innovative mindset combined with the uncompromising quality of the projects over the years has created a brand of outstanding repute.
